

How to find us:

If you travel by car:

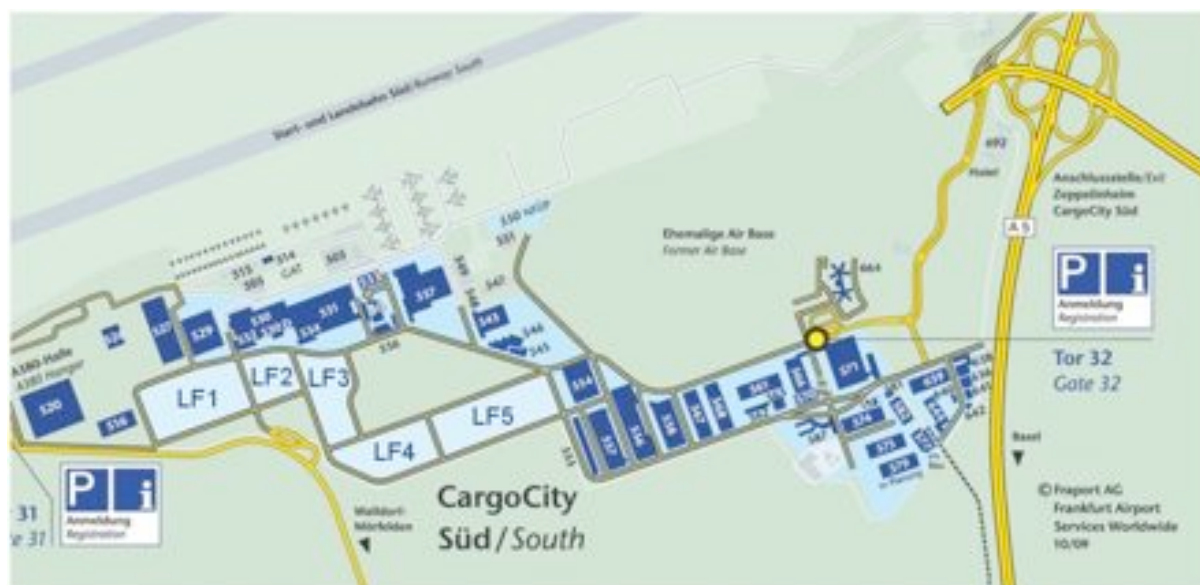

From North or South: Use Autobahn A5 up to exit “Zeppelinheim” and “CargoCity Süd”

From West or East: Use Autobahn A3 up to “Kreuz Frankfurt” (Intersection) and follow signs to Autobahn A5, Direction “Basel” or “Darmstadt”. Once you have left the Autobahn, please follow instructions and signs to “Tor 32” (Gate 32).

If your car has a build-in navigation, you may use the following coordinates to reach us:

Latitude (B): N50°01'30" Longitude (L): E008°35'00"

If your navigation system does not allow you to use the a.m. coordinates, try as Point of Interest the “Inter-City Hotel Frankfurt Airport” – this will bring you straight to the exit of “CargoCity Süd”. Follow the signs to Gate 32.

You may open the gate only, if you have a registered pass with Frankfurt Airport Authorities. If not, follow the signs “Visitors” and sign-in right at the gate. You will receive a visitors’ day pass. Remember: Airport security requires that you show your valid picture-ID passport.

You will see Building 571 just across the street on your left hand (large signs on the building of “Panalpina” and “Geis-SDV”). You have to drive around this complex to reach the back side of the building. Here you’ll see a special driveway to the parking lot (and all other resident companies in this complex) – Just ring us and you’ll find a reserved parking lot on top right next to our entrance. Remember, you need to drive up to highest parking lot and continue straight to get to Aisle “A” (see the signs inside the complex too).

And while inside the airport: drive safely and watch out for special vehicles. The speed limit inside the secured area is max. 30 km/h.
